### Report on students' feedback

- Based on the view of the students, following analysis may be furnished hereunder-
- Regarding the objectives prescribed in the curriculum almost all the students strongly agreed that the objectives are clearly defined.
- Majority of the students also agreed upon the fact that the curriculum encourages their participation and is very much relevant to the teacher training programme.
- Students also gave positive response regarding the organisation of the content material and the materials helping them to meet the training objectives.
- As far as mentors are concerned, most students agreed that the mentors are resourceful and well prepared.
- Students are also happy to share that the training provided is adequate for real classroom teaching.
- Few students are of the opinion that the curriculum is theoretically more burdened and even the facilities provided to meet the curriculum demands are adequate.

## Report on Feedback Given by HOD of School

Sammilani Teachers' Training College had an interactive session with the heads of the co-operating school on 24/04/24. On that event the college also invited the HOD (Teacher Education) and one of the Assistant Professors of affiliating university BSAEU to have a discussion on B.ED. and M.Ed. curriculum in general and internship programme in particular. The analysis of the views of the heads of the co-operating schools may reflect the real scenario of the teaching-learning process in the school education system and also relevance and significance of the ongoing curriculum of the teacher education programme.

- All the Heads of the co-operating schools present in this meeting agreed with the importance and necessity of Teaching Internship that should be considered to programme unanimously.
- Some of the heads admitted the internship of four months at a stretch, but some suggested to avoid at a stretch programme rather to make it phase-wise.
- Due to internal programme or other academic issues, sometimes schools are unable to arrange for scheduled classes to the trainee teachers. It really hampers regular feature of internship programme.
- Student-teachers are regular and they undergo teaching as well as other activities in schools under regular supervision of their mentors. School teachers are also being involved in school Internship programme.
- Internal and External examinations are conducted in systematic way.
- Regarding recruitment the schools which are under West Bengal Board, irrespective of medium of instruction cannot recruit the trainee teachers directly, whereas the English medium schools under ICSE board can recruit trainee teachers directly. Besides the Bengali Medium private schools also enjoy the authority on recruitment of the trainee teachers.
- Some HODs also emphasised on value education. According to them, values should be incorporated in the curriculum of the Teachers Education programme unanimously.

## Report on Alumni Feedback

Based on the views of the Alumni the following analyses may be furnished hereunder:

Regarding the objectives prescribed in the curriculum and its knowledge, understanding, skill and value-based theoretical structure the Alumni expressed their positive views and they are strongly agreed with the significance of its resourceful theoretical domain and its meaningful intervention in their professional life. So far as practical relevance of the curriculum in relation to global scenario, job market, etc is concerned, more development and restructuring is suggested to be taken into consideration.
